### **John Hall Fund Mission Bursary 2014**

The John Hall Mission Bursary was developed to broaden the experience of individuals in the Mission of the Church. The Fund enables a church worker to engage for two to three months in activity and/or reflection related to the mission of the church. Within the limits of the funds available the scholar may travel to and be based in Emmanuel URC, Cambridge or travel elsewhere. The fund will meet travel and living costs within a specified budget. At the conclusion, the recipient of the Bursary will be expected to share the insights gained with Emmanuel and the wider church.

The Bursary is to be offered from time to time. Prospective candidates should prepare an outline of how they would use their time, indicating areas in which their planned activity or reflection would be of value to the wider church. They should include details of their experience to date. Applications must include a recommendation from a senior official at the applicant's church

Candidates are welcome to telephone the Minister of Emmanuel, Revd. Dr. Lance Stone, or the Convenor of the John Hall Fund Committee, Mr. Roger Wicks for further details. The Church Office, [emmanuelurc@btinternet.com](mailto:emmanuelurc@btinternet.com) / 01223 351174, also has details and application forms.
