**'Serving the
Community
since 2000'**

OUR MISSION STATEMENT

We are a non-profitmaking Community Café run by Emmanuel URC in agreement with Eddie's - a local charity supporting people with learning disabilities. We aim to provide training, friendship and a purpose for those who work here, and to welcome all who come through our doors with food - fairly traded where possible - a quiet place and any other help that is within our power. If you would like to know more about Fair Shares Cafe please speak to a member of staff.

We will try to meet your dietary needs as far as possible. All our food is freshly prepared to order. We are sorry if occasionally you have a short wait during busy periods.
